

Luncheon with the Prince

Elegant Period Luncheon - \$ 35.00/person
(As duplicated from the Prince's Original Luncheon Menu)

How often are you given the opportunity to go back in time and savour the taste and smell of the 1860's?

True to the original menu, Foodies Fine Food in Almonte has created a feast that mirrors the time. Having created other authentic re-enactment dinners, Foodies was the natural choice. All of their food is fresh and made from scratch. The menu consists of:

Chilled Roast Beef Loin
Hot Corned Beef
Chilled Smoked Tongue
Oyster Patties with mustard style dip
Duck Terrine
Roast Potatoes
Celery
Fruit Tarts
Fresh Fruit
Little Sandwiches (cucumber and egg)
Sparkling Punch
